

ARIAIL FAMILY TREE

BOOK 4.

This is the research that has been completed as of Dec 2018. We know for certain that the father of ***Mathieu Ariail (1) was ***Francois Ariail and his mother was Mathurine Cornu. We believe the father of ***Francois Ariail was ***Jean (John) Ariail and mother to be Francoise Brunier. Still looking at records and can make corrections if necessary. The reason for this assumption is that ***Jean Ariail and Francoise Brunier named one of their sons Herve Ariail, bap. 22 Aug 1626, and the name Herve Ariail is used down through this line of the family and has been found in no other line of the family. So here goes. Documentation comes from www.culture.cg44.fr and www.archives49.fr. The ancestors of all the Ariail Family living in the U.S. and Ariail in Canada are marked with **ORANGE*****. There are some Ariail Families living in the U.S., especially Hawaii, who came from Portugal. This is not surprising, as we believe the Family name Ariail to be Hebrew in origin, migrating at some point to perhaps Spain and then to France and North America by way of Canada and Portugal. Nationality portions of U.S. Census reports support this stand.

You should note that there are several lines of the Ariail family in France, each one dating back to the early 1600's. As of this date, we have not been able to tie all of them together, but we do know that there was a Martin Ariail, born in the early 1500's who could be a common ancestor for many of these lines. It will take years of research to attempt to tie all this together, but wanted to get what we have found concerning the descendants of ***Mathieu Ariail in the Family Web Site so all will have access to the data. We have not found all the descendants within our own line and changes will have to be made at a later date if we can ever complete the research. It should be noted that not all children are listed for each family because the families moved around from Parish to Parish and not all records have been located as of this date.

The Ariail Archives are in possession of literally thousands of additional Ariail family records from updates can be made as more information becomes available and connections to different family lines are France, which include their descendants, that are not included in the below family tree. From time to time updates can be made as more information becomes available and connections to different family lines are established.

Warning: The data contained within this family tree is compiled by researchers utilizing materials accumulated from many sources. No guarantee is made to its accuracy, and anyone utilizing the information bears the sole responsibility for the use thereof.

No vitals or given names will be furnished for persons born after 1918, unless they are deceased. Obituaries and cemeteries where buried for many family members are contained within different documents of the AriailFamily Web Site. For records obtained from France and Canada, the birth date is often the actual baptismal date for the individual.

We would like to gratefully acknowledge all the family members, in Canada, France and the United States who have assisted us in the accumulation of the data to construct this family tree. As you can readily see, there are perhaps thousands of members not listed because we have not been able to obtain the information. Anyone who are a part of the family and desiring that their ancestors/descendants be listed, should forward the information to the officers of the Ariail Reunion Association in order that their branch of the family can be included. Thank you, Keith Ariail, president of Ariail Family Reunion Association.

OBITUARY FOR JOHN HARVEY ARIAIL, JR.

John Harvey Ariail, Jr., a Northern Virginia attorney, businessman and real estate developer, philanthropist and avid outdoorsman, died Thursday, January 20 at age 68 at Inova Fairfax Hospital, due to heart failure.

John Ariail was born in Greenville, S.C., in 1942, son of John H. and Virginia Simpson Ariail. He received a B.A. from Davidson College in North Carolina and graduated from the Law School of the University of Virginia, where he received his L.L.B. in 1967. Mr. Ariail served as a captain in the U.S. Army before being stationed with the CIA in Salzburg, Austria. Upon his return from Europe, he served as an Assistant Commonwealth's Attorney for Arlington County and joined the law firm of Smith, Harrison & Ramsey, which later became Mays & Valentine. Mr. Ariail was also a member of the Arlington County Bar Association and served as president of that organization. With law partner W. Forbes Ramsey, he created the Sport and Health Clubs group in 1973, establishing the Arlington Y Tennis & Squash Club as the first of 24 health facilities in the Washington metropolitan area. Mr. Ariail developed many family real estate ventures with B.M. Smith & Associates, Inc., including the ongoing development at the Penrose Square complex on Columbia Pike in Arlington. Mr. Ariail also was a visionary and co-owner of Restaurant Eve in Alexandria, Va. He was co-owner of the Alexandria Times.

Mr. Ariail will be remembered as a loyal and generous supporter of diverse organizations. He was an active participant in the Episcopal Church in Virginia, having been a member of St. Paul's and Christ Church in Alexandria, and having served as a member of the Vestry and as Senior Warden of Pohick Church in Lorton. He also served as a missionary to Tororo, Uganda and as co-chair of the Diocese of Virginia's Fifth Century Fund. Mr. Ariail was a former member of the boards of St. Stephen's School in Alexandria, St. George's School in Newport, R.I., Davidson College, and a founding board member of Flint Hill School in Oakton, Va. During the 1970's he served on the Virginia State Water Control Board acting as Chairman for two years. He was also a founding board member of the Menokin Foundation in Richmond County, Va., and of the Lorton Arts Foundation, where he recently completed eight years as chairman. Mr. Ariail served several times as Chairman of the Goodwin House, Inc., retirement communities in Virginia. Most recently he was a leader in establishing Alexandria in Bloom, a non-profit organization dedicated to the beautification of Old Town Alexandria. He will also be remembered for his steadfast support of individuals in need.

Mr. Ariail was a member of the Metropolitan Club of Washington, the Anglers' Club of New York, the Island Farm Duck Club in Warsaw, Va., and the Old Dominion Boat Club in Alexandria.

DAIRY FARMER SEEKS SELECTMAN'S SEAT

LEVANT -- *A 20-year United States ex-Navy man turned dairy farmer is hoping to win a selectman's seat in Levant's upcoming elections to bring what he hopes would be a little more unity to the board.*

James Patterson ran in last year's election on a write-in ballot. He lost by less than 10 votes and campaigned for only a few days.

This time around, Patterson hopes to unseat the incumbent Richard Doughty, who is also a deputy sheriff.

The elections will be held on March 13, and the town meeting will take place the following day. Patterson was born in Georgia and spent 20 years traveling the world with the military. Much of his military experience was in the fields of finance and communications. During his last military assignment he was part of the staff at the Naval Security Group Headquarters at Washington, D.C.

He is now raising a dairy heard, which he says "is mighty hard work, and I love it."

Patterson bought his farm in 1970 and retired there in 1975. He is married and his wife, Lorraine, is a bookkeeper at Crescent Lumber in Orrington.

Patterson says his concern is to stabilize taxes or try to reduce them where possible. "I'm looking to make it more efficient," he said, "to try to keep it on reasonable lines"

The current mill rate is 14, he said, and property taxes have more than doubled in the past five years.

"The elderly are getting to the point where they can't handle it."

Patterson said the people set the mill rate when they decide how much money is needed

to run the town. He hopes more people will turn out at the board meetings so they will give their opinions on how they want to see the town's money spent.

!Changed his name from Coffin to Purnell when he became a doctor.

e-mail received from Susie Knoop

Changed his name to Purnell when he became a doctor. He thought Coffin was a poor name for a doctor. Yes, the family had a fit. He was and still may be a doctor at Mayo Clinic, Rochester, Minnesota. I rked my mother. I may have dates of birth not sure. I don't know these people even though he was mon's first cousin. I only remember meeting him once. Although my grandparents were in touch with him. He just did not come around much. His father was called SHUCKS, which always tickled me. I knew him very well and remember the day in 1964 when he picked up his new T-Bird convertible and let me drive it all day. Since I just had a permit he was with me. But the younger girl cousins got to go along. Purnell was Don's mother's maiden name.

It is believed that Guy Wysong, husband, was previously married and that Walton Wysong is a step-son (listed as son on death certificate). Both Beatrice and Walton died in the same town in Indiana, but need further vital records or obituaries to prove family connections. According to Michigan marriage records, Guy M. Wysong married Minnie Ormiston on 15 Sep 1927 in Iron Mountain, Michigan with her passing in 1949. According to Social Security Death Records, Beatrice Bernardine Rocheleau was only married 1 time; therefore, she must have married after 1949.
